

World Cup
Rules and Precisions for the Team Combined (TC)

- Is the result of a Downhill (or Super G) run and a single Slalom run held according to the technical regulations for Slalom and those for Downhill or Super G. The Team Combined event consists of two runs. (see ICR, art. 621.3.3, 621.11.2)
- Downhill and Super-G events of Team Combined must be held on courses specifically homologated for Downhill or Super-G respectively. The Slalom may be held on these courses.
- If possible both runs should be held on one day (exceptions can only be decided by the Jury).
- Eligibility
World Cup rules, art. 3 are valid for the eligibility of the participating athletes.
- Participation
The Teams are formed by athletes from the same gender and nation.
The competitors that make up the team must be named before the draw. No changes can be done after the draw.
- Quotas
Each nation can start with the maximum quotas allowed for the respective speed event (Downhill or Super G).
- Draw
Enrollment and starting order draw are defined by the World Cup rules, art. 9. Teams must be nominated before the Team Captain’s Meeting.
- Each competitor is allowed to start only in one run.
- Starting numbers given to the team for the 1st run remain the same for the 2nd run.
- Starting order 2nd run
The starting order for the 2nd run is determined by the result list of the 1st run except for the first 30 places who will start in reverse order. A competitor will not be permitted to start the 2nd run if his teammate was DSQ, DNS, NPS or DNF in the first run.
- The Combined results are calculated by adding both competitors’ run times.
- World Cup Points
Points will only be awarded if both competitors completed the respective runs (World Cup rules, art. 10.2 applies).
World Cup points will be awarded for all the cups (Nations’ Cup, Overall Individual Cup and Event Cups – DH/SG and SL) - points awarded to each athlete of the team, using the points distribution as listed below.
