3.1.3 FIS Cup Standing

The FCJ-M points of all individual competitions of the current season will be counted for the FCJ-M overall winner.

In case of an equality of points in the FCJ-M standing the better ranking order of the different competitions will be used to decide the ranking.

If the competitors are still equal, the starting order will be drawn.

3.1.4 FIS Cup Nations' Cup

The sum of the points of all competitors from one nation of all FCJ competitions (Men) of the current season – including the points of the team and share of Mixed team competitions – will be taken into consideration for the FCJ evaluation per nation.

In case of a tie in the FCJ nations evaluation, the better ranking order of the different competitions (individual as well as team competitions) will determine the winner.

4. Competition Mode and Starting Order

The FCJ-M competitions have to be carried out according to ICR art. 452 (individual- and team competitions) with the following supplements:

4.1 For individual competitions the competitors will be divided into three groups. The number sequence of the groups is as follows:

- Group I of the organizing country
- Group II (athletes without FCJ-M points)
- Group III (athletes with FCJ-M points)

The starting order within the group will be determined as follows:

- Group I: draw or seeding
- Group II: draw
- Group III: reverse order of the actual FCJ-M standings. As soon as athletes appear in the FCJ-M standings they are seeded in group III according to their ranking. For the first FCJ-M competition of the season, the final FCJ-M standing of the past season is decisive.

4.2 For the second competitive round (final), only the top 30 of the first competition round are qualified (plus jumpers tied at the last qualified place).

They start with the same start number but in reverse order of the collective points score from the first competitive round.

A jumper, who has reached 95 % of the maximum length of the longest jump by the jumpers who have to qualify but has a fall, has the right to participate in the competition in addition to the top 30 (If the wind/gate compensation is used, the compensated distance is the basis).

4.3 The final round must start 20 minutes after the end of the first competition round. The jumpers who are not at the start on time are disqualified.

5. FCJ-M-Prizes

5.1 The FCJ-M individual overall winner, (summer and winter), receives the FIS Cup trophy.

The first three competitors receive a FIS medal.

The trophy and the medals will be provided by the FIS.

The FIS Cup trophy and the medals shall only be awarded at the final.
