

FIS Identification Card (FIS ID) for 2023/2024

The FIS ID is intended for people who need regular access to the AUDI FIS Ski World Cup for professional reasons.

For general questions concerning the FIS Season Accreditation, please contact Madeline Nappey, FIS Season Accreditation Services, nappey@fisski.com

Please note: FIS is not issuing any FIS ID for the media during the season with the exception of photographers listed on the FIS Photographers Priority List (A1/A2) requiring course access during the AUDI FIS Ski World Cup season. For more information, please contact communications@fisski.com

- Eligibility for a FIS ID and the respective access areas can be found [here](#).
- The FIS ID if granted is subject to all [general terms and conditions](#) for the FIS ID.
- The holder of a FIS Season Accreditation benefits, on a subsidiary basis, from a [collective insurance](#) issued by Allianz Suisse.

ONLINE APPLICATION

The FIS Season Accreditation for the AUDI FIS Ski World Cup will be processed through the member section.

If you/your organisation have already received login information for the past season, the same details are valid and you can proceed with the registration by entering your information in the member section. To apply for new login information please follow the instructions below:

> Member National Ski Association (NSA)

If your National Ski Association has already nominated a contact person to manage all your accreditations, the log-in details remain the same.

Provided you would like to change your contact person or are new to the process, please assign a staff member to handle all accreditation requests and communication of mandatory information to all card holders. Send your request to nappey@fis-ski.com.

An NSA can submit requests for FIS IDs in the categories of:

NSA Council Member, NSA President, NSA Professional, NSA Sponsor, NSA Guest, NSA Alpine Director/Head Coach, NSA Team Coach/Trainer, NSA Team Doctor/Medical Support, NSA Team Service Staff or NSA Team Press Attaché.

FIS Committee Members and Technical Delegates: please register with your NSA.

> FIS World Cup Title Sponsor/Partner, FIS Timing & Data Partner, World Cup Service or Safety and Equipment Provider, SRS member companies, Marketing Agency or Athlete Manager, Media Accreditation

If your Company has already nominated a contact person to manage all your accreditations, the log-in details remain the same.

Provided you would like to change your contact person or are new to the process, please assign a staff member to handle all accreditation requests and communication of mandatory information to all card holders. Send your request to accreditation@fis-ski.com.

Specific Event Accreditations

To request accreditation for the FIS World Cup events, please contact the respective Local Organising Committee. To access their contact information, please find the discipline related information by clicking on <http://data.fis-ski.com>.
