

FIS ALPINE JUNIOR WORLD SKI CHAMPIONSHIPS BIDDING GUIDE 2026 AND BEYOND

FOREWORD

The FIS Alpine Junior World Ski Championships (JWSC) have helped launch the careers of many of today's snow sports superstars, including the likes of **Mikaela Shiffrin** and **Marcel Hirscher**.

"The JWSC are more than just a competition; it's where future champions are forged, providing a platform for young talents to make their mark."

Michel Vion, FIS Secretary General

Hosting the JWSC offers a unique opportunity to facilitate the emergence of the next generation of alpine ski stars and to showcase your region to the world.

SHAPE THE FUTURE OF SNOW SPORTS WITH US.

This is FIS Alpine Junior World Ski Championships!

WHY HOST THE JWSC?

*Showcase your **initiatives** for developing Alpine Skiing*

*Boost the **reputation and tourism** within your region*

*Engage your **community** through sports participation*

*Inspire the **next generation of athletes***

*Set a benchmark for innovation and excellence in **event hosting***

*Secure funding to **upgrade venues**, leaving a lasting legacy*

FIS SUPPORT

COMMERCIAL, DIGITAL AND BROADCAST

FIS will offer comprehensive services and expert support:

FINANCE

Up to CHF 15,000 in broadcast/live-stream production support, subject to meeting minimum requirements and FIS Council approval.

BROADCAST AND VISIBILITY

Knowledge transfer and expert support on the broadcast project (e.g. product definition, distribution, commentary etc.).

FIS CHANNELS

Access and visibility on the FIS digital channels including (but not limited to) social media, as well as YouTube and FIS TV (for livestreaming).

FIS SUPPORT

EVENT OPERATION SERVICES

FIS will offer comprehensive services and expert support:

TIMING & DATA

Services provided by Swiss Timing according to the agreement between Longines and FIS (e.g. data & timing, TV graphics, scoreboards, staff).

ANTI-DOPING

Sample collection & laboratory analysis costs, as well as expert support on planning.

EXPERT KNOWLEDGE

Including: sports & operations, sports integrity (e.g. safeguarding), sustainability, education, digital & communications and more.

EVENT SUPPORT

Site inspections and event planning & delivery support.

MEDALS

Cost and delivery.

STUDY GROUPS

Participation in the study group programmes organized by the most recent JWSC and WSC Organisers.

JURY & JUDGES

Experienced personnel to be selected to ensure successful event delivery.

ORGANISER'S RESPONSIBILITIES

COMMERCIAL, DIGITAL AND BROADCAST

Organisers are required to fulfill the Hosting Agreement obligations:

BROADCAST

Host broadcaster selection and live-stream production costs, including all medal events.

BRANDING

Event branding design and production (including start and finish installations, field of play branding, ceremony and interview backdrops etc.)

ORGANISER'S RESPONSIBILITIES

EVENT OPERATION SERVICES

Organisers are required to fulfill the Hosting Agreement obligations:

SIDE EVENTS

Organize side events and ceremonies, including opening, closing and medal ceremonies.

LOGISTICS

Accommodation and transport for athletes and teams, officials, timing and data provider, anti-doping and FIS staff (according to the JWSC Rules).

SPORTS & OPERATIONS

Readiness of sports and operational areas (such as competition and training slopes/courses, and operational facilities).

SAFE & CLEAN SPORT

Promotion of safe sport and clean sport education activities.
