

2025/26 FIS Athletes Climate Action Award

- Application Form (Annex 1) -

Please answer the following questions as fully as possible. You may attach documents, links, photos, or other materials to support and illustrate your actions and initiatives.

1. Climate Leadership and Initiatives

Please describe any initiatives or projects you have launched, helped create, or actively supported that address climate change or promote sustainability in sport.

- What was your role and contribution?
- Who were your partners (such as teams, sponsors, NGOs, or other organizations)?
- What results or impact has your initiative achieved so far?
- How do you plan to continue or expand this work in the future?

2. Reducing Personal Climate Impact

Please describe the concrete actions you take to reduce the carbon footprint (the total amount of greenhouse gas emissions your activities produce) associated with your sporting activities and personal lifestyle.

- For example, you might use lower-carbon travel options like public transportation, reduce waste by using reusable items, avoid buying new equipment unless necessary, and choose local and seasonal food.
- Have you measured or tracked your personal carbon footprint (such as travel, food, or equipment)? If so, how do you use this information to guide your decisions?

3. Advocacy and Awareness

Please describe how you use your public platform to raise awareness about climate change and sustainability.

- For example, this could include social media posts, media appearances, taking part in climate campaigns, speaking at events, or other ways you share your message.
- How do you engage and inspire your audience?

4. Collaboration and Community Engagement

Please describe how you work with others to promote sustainability and climate action.

- This could include working with teams, federations, event organizers, sponsors, environmental groups, or local communities.

- What specific activities or projects have you done together to reduce emissions or raise awareness?
- How have you involved fans, young athletes, or local communities, and what results have these efforts achieved?

Planned use of prize funds

*Should your application be selected, please briefly describe how you would use the **€3,500** prize to support climate or environmental sustainability initiatives.*
