MA 8)

RACE POINTS - FIS MASTERS POINTS

a) Race Points

- The race points will be calculated according to the alpine formula separately for each Category (A, B, ~~and~~ C and D), with the fastest racer of each Category receiving 0 points. Penalties are to be calculated by TD or Race Organizers, these will be added to the Race Points. Penalties are to be calculated as per item 4.4 of the Rules for the FIS Alpine Points.
- Slalom points are given for Slalom, Giant Slalom points for GS

and Super-G points for SG. (Super-G points can be used for the draw in Downhill where applicable). In Alpine Combined Masters Events, Alpine Combined as well as SG points are awarded to the competitors.

MA 9) RUNS PER RACE

a) Slalom

Slalom must be raced in 2 runs, ~~C/B and A to race on separate courses~~. Course setting must be organized in such a way that course inspection on one course is possible while the race continues on the other course. In exceptional cases where conditions force the Jury to cancel the second run, the S/Committee may declare a one-run slalom as valid.

b) Giant Slalom

It is optional as to whether Giant Slalom is raced in one or two runs.

c) Super-G

Super-G is raced in one run.

d) Alpine Combined

The Alpine Combined is composed of one SG and one Slalom run.

MA 10) START ORDER - START INTERVALS

a) Start order

- If all ~~43~~ Categories compete in the same course and in Slalom competitions the women (Cat. ~~DG~~) will start first followed by the younger women (Cat. C) that will start before the men (Cat. B), younger men (Cat. A) to start last. ~~The jury may decide differently only s. if advantageous for C and B.~~
- In Super G, GS and Alpine Combined, if two separate courses are organized, the younger women (Cat. C) will start first on their course and older women (Cat. D) first on their course. ~~The jury may decide differently only if advantageous for C. The Jury will also decide if the largest category starts first or the two smaller categories start first.~~
- Within Categories older classes start before the younger ones.
- Start order Second Run:
- Following the "Bibo-Rule" the fastest 5 competitors from the first run – in each 5-year class – start first in reverse order, the other competitor follow in the order of their first run times.

MA 27) OTHER ACTIVITIES

Set up connections with the Media - local, regional and national Press, Radio and TV companies.

- Undertake local publicity
- Website/Internet
- Acquire sponsors for advertising, paper, start numbers, start and result lists, placards or financial support etc.
- If the event runs over 2 or more days, organize social events

for competitors, ideally between 18 and 19:30 hrs. after the Captains' Meeting, and possibly with the prize giving, where any program changes can be announced.

- The Organizers are responsible for providing medals or trophies for the top 3 in each class (possibly 5 at major events) and trophies for the winner in each Category A, B, C and D (~~D= Women 55 and over~~)—Best Time of the Day. Minimum wording requirements as per Rules MA) 59 and MA) 76.
- Organize daily prize giving; on the final day that should be as early as possible near the Finish Area to enable an early departure of the competitors.

MA 32) SLALOM

- Set open, rhythmic courses with the aim to avoid too many falls.
- See rule MA 4) a) concerning separate courses for A/C/B and B/DA Categories.
- Recommended Race Order (if you have only one set of officials at your disposition):
- 1st Run for DG and CB competitors, followed by 1st run for B and A competitors; at the same time 2nd run setting and inspection by DBG and CAB competitors.
- 2nd run for DG and CB competitors, at the same time 2nd run setting and inspection for B and A competitors, followed by 2nd run for B and A competitors. For the second run start order see rule MA 10) a)

MA 43) START INTERVAL - COURSE MAINTENANCE

a) Start Interval

Run the race swiftly, choosing the shortest reasonable Start Interval (30 seconds) - see rule MA 10) b).

b) Course Maintenance

In any race, when different Categories are run on the same course, the race must be interrupted ~~by a minimum of 10 minutes between the Categories C and the following Category (if more than 25 Women have raced), but preferably more between B and A in case that Category A and B is run on the same course~~ in order to give sufficient time to prepare the course. If ruts or rocks are showing the turning poles are to be reset by the minimum distance to avoid the obstacles. In this case Rule MA 33) (as to an additional inspection) is to be applied.

A sufficient number of side slippers is to be supplied for permanent side slipping between racers. If necessary, the track is to be maintained with appropriate tools.

MA 56) START NUMBERS

The racers will collect them individually. Distribution of the start numbers must be very well organized because of the limited time to collect entry fees and lift pass payments – pass them out by Category (A, B, C and D) and have sufficient helpers to do this.

Prepare sufficient start lists for issue. There should be separate start lists for each category ~~(eventually combine B/C)~~. In big events consider distributing a portion of the start numbers in the Race Office on the evening before race day.

MA 58) RESULT LIST – PENALTIES

a) Result Lists

- In the result list each racer must be identified (besides correct spelling of the name) with Code No., Nation Symbol and Year of Birth.
- The ~~results re should be a copy for each competitor, distributed~~ should be published as soon as possible, at the FIS website and no later than the prize giving each evening. They must be separated into appropriate Categories (A, B, C and D) and age-classes (30-34, 35-40, 40-44 etc.). ~~If possible Categories B/C should be published separately from Category A.~~

MA 59) PRIZEGIVING

-
-
- As per Rule MA 27), the top 3 in each class get medals or trophies (possibly 5 at major events), which are to be supplied by the race organization. The Organizer is also obliged to honor the best time of the day in each Category A, B, C and D (~~D = Women 55 and over~~) with trophies.

MA 76) MEDALS

The Organizers are responsible for providing Medals in Gold, Silver and Bronze for the top 3 racers in each class, with a substantial appearance and a minimum diameter of 75 mm, worthy of World Championships. Additionally, the Organizers are responsible for providing trophies for the Best Time of the Day for the winners in Category A, B, C and D (~~D = Women 55 and over~~).

MA 78) START NUMBERS (REGULAR) - “PERSONALIZED” BIB SYSTEM

c) Bib sets

To avoid identical bib numbers use only one complete set of bibs (on special order) for the whole field. In the worst case no more than 2 sets of clearly different colors, separating B/C and A.

d) Bib distribution

Preparing bibs for distribution (1 to about 500) arrange ascending numbers in the order from “old to young” (assigned by the year of birth), ~~Women first, then Men,~~ in the sequence of the Categories D, B, C and C, B to A. This helps racers to identify age groups and calculate their own starting time while waiting for their start.

- b) In case that his 10th or 11th etc. best result is an equal ranking to his 9th best, those with the lowest race points have to be considered.

A racer has 8 first places and 3 second places. If a tie is to be broken,

- the eight first places are taken into consideration and their points are summed up (regardless whether some of his second or third places may have lower race points)
 - to find the ninth result to be considered: out of his 3 second places the one with the lowest race points will be considered.
- c) The same rule applies (lowest sum of race points) if 2 or more racers achieve an equal sum of points from a different number of rankings (can be from 6, 7, 8 or 9 races).
