

Tove Moe Dyrhaug

Year of birth: 1965

Place of residence Tydal, Norway

Professional Background and Leadership Experience

I have extensive leadership experience from international sport governance, national federations, and professional sports organizations.

- **FIS Council Member** (2024–present)
- **Norwegian Ski Federation**, President (2022–present)
- **Norwegian Ski Federation**, Board Member (2012–2022)
- **Rosenborg Ballklub**, Chief Executive Officer (2012–2022), Event Manager (2005–2016), one of Norway's most successful professional football clubs.

In addition, I have held senior management roles as Producer and Project Manager of Olavsfestivalen, CEO of St. Olavsloppet, and administrative leadership positions within Tydal Municipality.

Personal Information

Married to Ole, with three children and two grandchildren. All are actively involved in skiing. My son, Niklas Dyrhaug, is a former cross-country skier and World Champion.

Motivation

I am highly committed to supporting the long-term and sustainable development of international skiing and to contributing constructively to the work of the FIS. My professional background combines strategic leadership, operational execution, and governance experience across complex organizations.

Leadership Profile

- Strong collaboration and stakeholder engagement
- Team-oriented and inclusive leadership
- A pragmatic and solution-focused approach
- Strong ethical values
- A clear commitment to openness and transparency

Vision and Contribution

In periods of uncertainty and change, effective leadership requires cooperation, trust, and shared responsibility. Sport, by its very nature, is built on teamwork. Only by working together can we strengthen the position of our **athletes, fans, and partners**.

Having served the Norwegian Ski Federation for twelve years as a Board Member and the last four years as President, I consider it a great honor to represent skiing—Norway's national sport—at the international level.

I respectfully seek the opportunity to contribute my experience, competence, and commitment as part of the FIS Council in the coming period.
