

Brand Name: ROSSIGNOL

What the Constructors Championship means to your team and how it works for you

For us it means clearly the performance and the power of the Brand. It means the capability to support racers in every discipline and both genders. Something that we should speak much more about. As they do in F1

Team details, athletes, technicians, team principle and general info on factory, equipment

Rossignol Worldwide group including 4 brands such as Rossignol Dynastar Look and Lange. Team principal Stephane MOUGIN. Presence in racing in more than 20 countries men and women, +/- 150 athletes under contracts in alpine. More than 20 technicians' testers and managers on the field to support our teams. Which makes Rossignol one of the biggest partners of FIS and NSA's The investment from Rossignol in Racing is the biggest investment in its promotion investment. Racing is the DNA of the brand

Key athletes in the team, biography, and brand association

Key athletes in the team: (see the spread sheet below) big presence on social medias such as Instagram https://www.instagram.com/rossignolracing/ To follow our athletes and their results. ...Our Athletes are more than just racers they are real ambassadors for the brand, hard goods and soft goods for some of them (eg: Cyprien Sarrazin)

Pre-season planning, new ski developments, what length for what discipline

As always, the servicemen follow the athletes insuring the service and bringing new stuff to try after the tests made in South hemisphere in the summer. We bring the last evolutions before the season starts. No big changes in term of ski length. We stay close to the FIS rules.

SL 156 to 161 for W 165 for M;

GS 189 to 191 for W, 193 to 198 for M;

SG 212 for W, 215 for M;

DH 218 for everybody.

Ski Technical details, who are the servicemen and how their job work

Servicemen dedicated to specific athletes: see the spreadsheet below.
