- Airport assistance and transportation

The Tourism of Portugal has created a “Clean & Safe” stamp of approval to distinguish tourist activities which are compliant with hygiene and cleaning requirements for the prevention and control of COVID-19 and other possible infections.

At XPTO Events and DMC we have implemented an internal protocol in order to comply with the recommendations of the National Tourism Authority and National Health Authority guidelines to avoid risks of contagion of covid-19 in our office and during our activities and all services provided.

ALGARVE DESTINATION

✓The Algarve is the region in the southern seashore of Portugal. It attracts thousands of visitors and corporate events year after year. The Algarve has been awarded, for several years the best travel destination by the world travel awards., being the latest received, the **World's Leading Beach Destination 2020**

✓Faro International Airport places the region a little over two hours away from the main European cities.

✓The Algarve offers different advantages in the meetings industry.

✓Venues in this region total a capacity of 75,000 seats, some of them can accommodate more than 1,000 people and in some cases more than 3,000 people.

✓The range of choice is also varied. In addition to world-renowned luxury hotels, charming hotels, inns and golf resorts, the region offers castles and museums that have witnessed a historic legacy.

✓The Algarve has been one of the elected destinations for presenting new car models to the international market by several brands.

✓The mild climate of the region fits all kinds of events; Conferences, conventions, business meetings, workshops, exhibitions, product launches, award ceremonies, sporting events and cultural gatherings.

✓The Algarve offers endless opportunities for extra-conference and social programs. Activities such as golf, water sports, off road adventures, nature walks, visits to lively and picturesque villages or vibrant nightlife.
