

Brand Name: HEAD

What the Constructors Championship means to your team and how it works for you ?

The Constructors Championship is a crucial measure of our team's overall performance, highlighting not just the skiers but also the Service team and engineers.

Winning or performing well in the Constructors' Championship is a measure of our team's collective performance throughout the season. It showcases our ability to consistently produce high-performance equipment and manage race operations efficiently.

A strong performance in the Constructors' Championship allows us also to attract new talents. Success breeds success.

We have won the Constructors' Championship 13 times since 2011. (2011,2012,2013,2014,2015,2016,2018,2019,2020,2021,2022,2023,2024)

No. 14 is the goal for the season 24/25.

Team details, athletes, technicians, team principle and general info on factory, equipment etc...

We are the Worldcup Rebels!

The Worldcup Rebels is a high-performance team that not only aims for victory but also represents the cutting edge of ski technology and brand prestige for HEAD in the global skiing community.
