5. TV, Web and Print Material

5.1 Use of the FIS Freeski & Snowboard World Cup Logo

The use of the official FIS Freeski & Snowboard World Cup logo is subject to a set of guidelines as outlined on the next page. This logo is part of the corporate identity of the International Ski Federation (FIS). The FIS Freeski World Cup logo is a registered trademarks of FIS.

The NSA /LOC is not allowed to bring the official World Cup logo in connection with any other sponsor other than the FIS World Cup Title Sponsor.

5.1.1 General Guidelines for the use of Logo

Size

As a rule of thumb the official FIS Freeski & Snowboard World Cup logo must cover 5% of the overall surface of any promotional tool it is placed on. In any case the size of the logo may not be smaller than 30 mm (width for the portrait) version of the logo.

Logo context , frame, position, dimension

The integrity of the official logo must be secured through appropriate context. The official logo may not be overshadowed by other word marks or logos. Similar but unrelated marks may not be used in the same context to avoid establishing an inappropriate relationship.

In general use, the logo is without a frame and should be positioned horizontally. As a rule, the logo is two-dimensional. The colored logo should be used on a white background. In case the logo needs to be positioned on a colored background, the solid white version must be used.

5.1.2 Official FIS Freestyle World Cup Titles

English: FIS Freeski & Snowboard World Cup

German: FIS Freeski & Snowboard Weltcup
