

Coop FIS Cross-Country World Cup 2025/2026 FIS Season Accreditation - Online Application

The FIS Season Accreditation is intended for people who need regular access to the Coop FIS Cross-Country World Cup for professional reasons.

For general questions concerning the FIS Season Accreditation, please contact Alexandra Blum, FIS Administrative Coordinator, alexandra.blum@fis-ski.com

- Eligibility for a FIS Season Accreditation and the respective access areas can be found [here](#).
- The accreditation if granted is subject to all [general terms and conditions](#) for the FIS Season Accreditation.
- The holder of a FIS Season Accreditation benefits, on a subsidiary basis, from a [collective accident insurance](#) issued by Allianz Suisse.

ONLINE APPLICATION ► to be processed via the FIS member section

If you or your organisation has already received login information for the past season, the same details are valid and you can proceed with the registration by entering your information in the member section.

Provided that you would like to change your contact person or are new to the process, please assign a staff member to handle all accreditation requests and communication of mandatory information to all card holders. Send your request to alexandra.blum@fis-ski.com.

> Member National Ski Association (NSA)

An NSA can submit requests in the categories of:

NSA Professional, NSA Coach, NSA Medical, NSA Technician and NSA Media

Please check in the function description per category to sign up for the correct persona.

FIS Committee Members: please register with your NSA.

> SRS

An SRS can submit requests in the categories of:

SRS Race Service, SRS Media, SRS Professional

Please check in the function description per category to sign up for the correct persona.

> FIS World Cup Sponsor/Partner

Please apply for the season accreditation registered under FIS Guest.
