CONTRIBUTION TO THE FIS COUNCIL

- **Promote skiing around the world in line with the nations in Central Europe, that are the major driving forces in the snow sector.**
- **Become a FIS partner with Southern European countries to strengthen the relationship between Andorra and the European Small Nations and contribute to the growth of skiing there.**
- **Share the formula of how to encourage skiing from grassroots level by passing on the experiences learned from school skiing in Andorra.**

Promote innovation:

Through the organization of events that combine both sport and entertainment for the rest of the stakeholders (sportainment).

By sharing the successful model of hospitality integration into the organization of large-scale.
