## **PREAMBLE**

The FIS-CIT Sub-Committee for Alpine CIT Racers has the task to enable all nations - above all those far from the alps- to establish a basis for up and coming young athletes whereby they are given the possibility to compete in international competitions at a high level.

A working Group made up of members of the FIS-CIT Sub-Committee for Alpine CIT racers, "FIS-CIT Groupe de travail FCCAL" decides on rules for FIS-CIT races. "FCCAL" also handles important or significant questions that might arise during the season. They discuss and decide, by majority voting, on proposals and requests and submit these to the FIS Alpine Coordinator for approval by FIS Council.

The "FCCAL" gives those nations priority who run the most FIS-CIT races during the season. The "FIS-CIT Groupe de travail FCCAL" should not consist of more than 6 members, plus the Chair.

### **FIS Statutes**
