A Legacy of Impact and Global Representation

Expanding Representation in FIS

Supporting the greater inclusion of Latin American and Spanish-speaking countries within FIS, helping ensure a more balanced global structure.

Strategic Rebalancing

Successfully repositioning the weight and vote of emerging federations, generating strategic alliances and real influence in global decision-making.

A Bridge Between Cultures

Providing an integrative vision that connects different cultural realities through a modern, flexible, and open leadership model.

Prioritizing Sport

Driving improvements in calendars, Olympic quotas, and competitive balance to reinforce the sporting foundations of FIS disciplines.

Collaborative Leadership

A constructive and approachable style that enhances the working climate, unlocks complex conversations, and facilitates key agreements.

Attendance at the South American Cup finals.

Mission and Vision

My FIS Mission

My mission on the FIS Council is to drive the sustainable and balanced development of snow sports by strengthening competition structures, supporting federations, and ensuring fair opportunities across all nations.

My FIS Vision

My vision is to see snow sports continue to grow globally, reaching new audiences, expanding into new regions, and strengthening their position within the international sports landscape.

Commitment to the Future

Continuing my role on the FIS Council is about helping shape a future where snow sports are more inclusive, accessible, and globally connected.

Awards ceremony, Cortina 2026 Paralympics.
