

## **FIS Season 2025-2026 Environmental Data Questionnaire**

### **General Information**

1. Please provide the name of your event and the discipline.
2. Please provide an email address so we can contact you if we have any questions.
3. Please enter the country code (e.g., ITA, GER, SUI) where your event is located.
4. Enter the number of competition days.

### **Attendance**

5. Enter the total number of people who attended your event as Spectators (excluding accredited individuals) / Use ticket sales data or estimate if you do not have specific data.
6. Enter the total number of people accredited at your event.

### **Energy and Material Usage**

7. Energy Consumed (kWh) / The total energy consumed during your event (measured in kilowatt-hours). Use energy meter readings or utility bills.
8. Traditional Energy used from the grid / If this type of energy was not used, please indicate by entering 0 kWh.
9. Green Energy from the grid (with Guarantee of Origin) / If this type of energy was not used, please indicate by entering 0 kWh.
10. Self Produced Energy / If this type of energy was not used, please indicate by entering 0 kWh.
11. Were Generators used during the event?
  - Yes
  - No
12. If generators were used, what type of fuel did they operate on?
  - Gasoline
  - Diesel
  - LPG/Propane
  - Natural Gas
  - Biofuel (e.g., biodiesel, HVO, ...)
13. Please provide the total amount of fuel consumed by the generators, along with the unit of measurement? *e.g., X liters of diesel, Y kg of LPG, Z m<sup>3</sup> of natural gas, etc.*
15. What type of heating system was used?
  - Electric heating (e.g., space heaters, heat pumps)
  - Natural Gas

- LPG/ Propane
- Diesel
- District Heating
- OTHER - specify

16.If heating was not electric, what type and quantity of fuel was used? / Please specify the fuel type and unit of measurement

17.Snow Production (m<sup>3</sup>) / The total amount of snow produced *only for the event*, not including the seasonal production. Ask the ski resort and estimate the m<sup>3</sup> used solely for the event.

### **Fireworks Used**

18. Were fireworks used during your event?

- Yes
- No

### **TV Production**

19.Does the event include TV production?

- Yes
- No

### **Hotel nights and Meals**

20. How many total hotel nights were used by staff, participants, and other event-related people, paid by the LOC? / Note: Multiply the number of people staying by the number of nights they stayed, and adjust by the hotel star rating.)
