

FIS Rule precisions specific to the Alpine FIS WSC 2027 in Crans Montana (SUI)

STARTING ORDER

Enrollment / Starting order

Enrollment for SL, GS, DH, SG and DH training (for Team Combined and Mixed Team Parallel see special rules)

The best 30 competitors present are enrolled according to the actual WCSL in the given event (quota adjusted), in case of a tie, according to FIS points in the given event. Those competitors, whose actual total number of WCSL points (sum of World Cup DH, SL, GS, SG + OWG / WSC) is at least 500, in GS and SL follow after the 1st group (1-15), in DH, SG and DH TRA after bib 20 according to their WCSL event points (in case of a tie according to FIS points), if they are classified within the first 30 competitors present on the WCSL in the actual event.

Enrollment after the 30th competitor

Competitors with at least 500 WCSL overall points, who do not fulfill the above requirements, are enrolled after the 30th competitor (starting order according to the event WCSL, if not available, then according to FIS points). Thereafter the competitors are enrolled according to FIS points (in case of a tie according to WCSL event points). Those competitors, who are classified in positions 31 - 35 of the valid WCSL in the given event, will be enrolled after 45 according to their FIS points, if they are not ranked in the best 45 competitors present.

Starting order for SL and GS

SL / GS: 1st group (1 - 15), 2nd group (16 - 30)

The best seven (7) competitors will be drawn between start numbers 1 - 7 and the remaining competitors 8 - 15. This will take place by double-draw. The double draw may be done electronically.

In the case of competitors with the same WCSL points enrolled in the 7th, 15th or 30th position, the group would be extended to include these competitors. To determine their enrollment order in this case, the tie will be overridden according to FIS points in the given event.

If there is still a tie, a draw will be done.

Starting order for DH, SG and DH Training

The best ten (10) competitors present (quota adjusted) of the corresponding event WCSL will be drawn between start numbers 6 - 15, the competitors 11 - 20 between start numbers 1 - 5 and 16 - 20. Competitors with at least 500 WCSL points will receive start numbers right after 20, followed by the remaining competitors from the group 21-30, who will be drawn between the remaining start numbers up to 30.

In case of a tie in the corresponding event (10th or 20th position of the enrollment), the tie will be overridden (broken) according to FIS points in the given event.

In case of competitors with the same WCSL points enrolled in the 30th position, the group would be extended to include these competitors. To determine their enrollment order in this case, the tie will be overridden according to FIS points in the given event. If there is still a tie, a draw will be done.
