

FIS is the governing body for international skiing and snowboarding, founded in 1924 during the first Olympic Games in Chamonix, France. Recognized by the International Olympic Committee (IOC) and the International Paralympic Committee (IPC), FIS manages the Olympic disciplines of Alpine Skiing, Cross-Country Skiing, Ski Jumping, Nordic Combined, Freestyle Skiing, Snowboarding and Para Snowsports, including setting the international competition rules. Through its 135 member nations, more than 7'000 FIS ski and snowboard competitions are staged annually.

We are looking for an

Intern in Digital Product and Project Management (m/f/d) – 100%

In 2022, FIS set up a new commercial unit within the core of the federation, tasked to move FIS to new heights – more innovative, more digital and more emotional.

In our small, teamwork-oriented digital & innovation team, you will have the opportunity to contribute to various digitalization initiatives, support our social media presence and gain insight into digital analytics.

Your skills and experience:

- You are proficient in digital tools and platforms (Instagram, YouTube, TikTok, etc.) and have strong Microsoft Office skills (Word, Excel, PowerPoint).
- You are fluent in English (written and spoken), German and other languages are a plus.
- Video and graphic editing skills are a plus.
- You are a proactive and flexible team player and are driven by results and impact.
- You handle the pressure of daily business operations and prioritize tasks appropriately.
- You can work independently and like to take on responsibility.

What we offer you:

- Be part of a dynamic team, where you have the chance take on responsibility.
- Contribute to managing and creating content for our social media platforms, including Instagram, YouTube, TikTok, and others.
- Contribute to managing editorial plans, digital products and projects, including website, app and FIS TV.
- Engage in digital analytics to measure, report, plan and optimize the performance of our digital content activities and marketing campaigns.
- Prepare and contribute to new concepts and its executions.

Want to be part of our team? Send us your CV and a few words on why you would be a good fit for us via email, specifying also your desired starting date. We are looking forward to receiving your application at katharina.zobrist@fis-ski.com
