5.7 Retirement athletes returning to competition

5.7.1 An Athlete in FIS's Registered Testing Pool who has given notice of retirement to FIS may not resume competing in International Events or National Events until he/she has given FIS written notice of his/her intent to resume competing and has made him/herself available for Testing for a period of six months before returning to Competition, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations. WADA, in consultation with FIS and the Athlete's National Anti-Doping Organisation, may grant an exemption to the six-month written notice rule where the strict application of that rule would be manifestly unfair to an Athlete. This decision may be appealed under Article 13. Any competitive results obtained in violation of this Article 5.7.1 shall be Disqualified.

5.7.2 If an Athlete retires from sport while subject to a period of Ineligibility the Athlete shall not resume competing in International Events or National Events until the Athlete has given six months prior written notice (or notice

equivalent to the period of Ineligibility remaining as of the date the Athlete retired, if that period was longer than six months) to FIS and to his/her National Anti-Doping Organisation of his/her intent to resume competing and has made him/herself available for Testing for that notice period, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations. .
