5. TV, web and print material

5.1 Use of the FIS Freestyle Skiing World Cup logo

The use of the official FIS Freestyle Skiing World Cup logo is subject to a set of guidelines as outlined on the next page. This logo is part of the corporate identity of the International Ski Federation (FIS). The FIS Freestyle Ski World Cup logo is a registered trademark of FIS.

The Organizing Committees are not allowed to bring the official World Cup logo in connection with any other sponsor other than the FIS World Cup Title Sponsor.

FIS Freestyle Ski WC logo
a) Horizontal Version
b) Vertical Version
5.1.1 General guidelines for the use of logo

**Size**
As a rule of thumb the official FIS Freestyle Ski World Cup logo must cover 5% of the overall surface of any promotional tool it is placed on. In any case the size of the logo may not be smaller than 30 mm (width for the portrait) version of the logo.

**Logo context, frame, position, dimension**
The integrity of the official logo must be secured through appropriate context. The official logo may not be overshadowed by other word marks or logos. Similar but unrelated marks may not be used in the same context to avoid establishing an inappropriate relationship.

In general use, the logo is without a frame and should be positioned horizontally. As a rule, the logo is two-dimensional. The colored logo should be used on a white background. In case the logo needs to be positioned on a colored background, the solid white version must be used.
