Allocation system to fill in the additional spots

The Competition Invitation will be available 3 months prior to the first competition day. 40 days prior to the 1st training day, FIS will produce a ranked list of the entered competitors. This list will indicate Basic Quota, Additional Quota, Host Nation Quota, Prequalification Competition Spots and Personal Spots. Competitors will be ranked according to the current WSPL. For BA, competitors will be ranked according to their highest rank between SS and BA. Ties will be broken by BA rank.

The remaining empty spots to reach the maximum number of competitors will be taken from the ranked list of entered competitors. If the entries do not reach the maximum number of competitors, the host nation will be allowed to enter additional competitors up to a maximum of 4 per gender.

Provisional Entries that are not made by the 40 day deadline will not be considered.

Confirmation of Spots

Competitors that fill in the additional spots will be confirmed to the NSAs via the email listed on the official entry 38 days prior to the 1st training day. NSAs should communicate to FIS, 20 days prior to the first training day if any competitor will not be able to participate. This will allow the reallocation of unused spots.

Nations are allowed to replace competitors as long as they are ranked higher than the highest ranked competitor on the waiting list.

Reallocation of Spots

Within the 15 days prior to the competition, remaining available spots will be reallocated to the next highest ranked competitors on the entry list. Once the fields are allocated and confirmed the next 3 men and 2 women on the ranked list of competitors will be added to those permitted to train and forerun. If there are withdrawals prior to the draw, these competitors will be allowed to fill in the unused spots and start in the competition.

- 120 FIS points or 230 WSPL points in Slopestyle

If the WJC and WRT are organized and run as the same event then only the winner (1st) will get a spot.

** (For the 2020/2021 season) There is only 1 personal spot from the host continent for each CoC earned through a combined ranking from the SS and BA CoC series counting the best 2 SS and 1 BA result.
