# FIS RULES ON THE PREVENTION OF THE MANIPULATION OF COMPETITIONS

## 1. Introduction

- 1.1. The integrity of sport depends on the outcome of sporting events and competitions being based entirely on the competing merits of the participants involved. Any form of corruption that might undermine public confidence in the integrity of a sporting contest is fundamentally contrary to the spirit of sport and must be eradicated at all costs.
- 1.2. The International Ski Federation ("FIS") has adopted these rules ("Rules") as a means of safeguarding the integrity of the sport of skiing and snowboarding, by
  - 1.2.1. Prohibiting any conduct that may impact improperly on the outcome of its events and competitions and
  - 1.2.2. Establishing a mechanism of enforcement and sanction for those who through their corrupt conduct, place the integrity of the sport at risk.
- 1.3. These Rules incorporate by reference the Olympic Movement Code on the Prevention of the Manipulation of Competitions of 8 December 2015. Both, these Rules and the Olympic Movement Code on the Prevention of the Manipulation of Competitions establish regulations that are in compliance with the Council of Europe Convention on the Manipulation of Sports Competitions.
- 1.4. The FIS is committed to taking all practical steps within its power to prevent corrupt practices undermining the integrity of the sport of skiing in all its disciplines. This commitment shall include:
  - 1.4.1. Raising awareness of these Rules at all levels, including using existing and/or suitably adapted educational programmes and tools to provide information and educational materials to the widest possible target audience;
  - 1.4.2. Establishing the best means of monitoring sports betting at International Competitions, including monitoring any irregular betting patterns that may occur;
  - 1.4.3. Establishing the best means for the receipt of third-party information on a confidential basis, for example, by establishing an information 'hot-line';
  - 1.4.4. Establishing and, where appropriate, making use of effective channels for the exchange of intelligence and information related to the investigation and/or prosecution of Violations under these Rules;
  - 1.4.5. Co-operating with competent national and international authorities where information in its possession may also amount to or evidence infringements of other applicable laws or regulations; and
  - 1.4.6. Exchanging information with partners in the Olympic Movement through the International Olympic Committee (IOC) and the Association of International Olympic Winter Sports Federations (AIOWF) on acknowledged areas of best practice in relation to combating corruption in sport.

- 2.2 It shall be the personal responsibility of every Participant to make themselves aware of these Rules including, without limitation, what conduct constitutes a Violation of the Rules and to comply with those requirements. Participants should also be aware that conduct prohibited under these Rules may also constitute a criminal offence and/or a breach of other applicable laws and regulations. Participants must comply with all applicable laws and regulations at all times.
- 2.3 Each Participant submits to the exclusive jurisdiction of any Hearing Panel convened under Rule n° 7.3 to hear and determine charges brought by the FIS and to the exclusive jurisdiction of CAS to determine any appeal from a Hearing Panel decision.

- 2.5 National Associations are obliged to put in place similar rules and regulations to safeguard the integrity of competitions held under their respective jurisdictions.
- 2.6 Notice under these Rules to a Participant who is under the jurisdiction of a National Association may be accomplished by delivery of the notice to the National Association concerned. The National Association shall be responsible for making immediate contact with the Participant to whom the notice is applicable.

However, there shall be no Violation under these Rules where the Participant renounces their attempt or agreement prior to it being discovered by a third party not involved in the attempt or agreement and if such attempt or agreement did not affect the Event or Competition.

## **4. Disciplinary procedures**

### **4.1 Investigations**

- 4.1.1 The FIS may conduct an investigation into the activities of any Participant that it believes may have committed a Violation of these Rules and may appoint a Hearing Panel for this purpose, according to Rule 5. Such investigation may be conducted in conjunction with relevant competent national or international authorities (including criminal, administrative, professional and/or judicial authorities) and all Participants must co-operate fully with such investigations. The FIS shall have discretion, where it deems it appropriate, to stay its own investigation pending the outcome of investigations conducted by other competent authorities.
- 4.1.2 Any allegation or suspicion of a Violation of these Rules shall be reported to the FIS for investigation and possible charge in accordance with these Rules.
- 4.1.3 Anonymous reports of a possible Violation may be submitted to the FIS or to the IOC's Integrity and Compliance Hotline available at [www.olympic.org](http://www.olympic.org). The FIS encourages disclosure of personal information to enable appropriate follow up when reports are made.
- 4.1.4 The Participant who is alleged to have committed a violation of this Code must be informed of the alleged Violations that have been reported, details of the alleged acts and/or omissions, and the range of possible sanctions.
- 4.1.5 Upon request by the FIS, the Participant concerned must provide any information which the FIS considers may be relevant to investigate the alleged Violation, including records relating to the alleged violation (such as betting account numbers and information, itemised telephone bills, bank statements, internet service records, computers, hard drives and other electronic information storage devices), and/or a statement setting out the relevant facts and circumstances around the alleged violation.
- 4.1.6 As part of any such investigation, the FIS may also require the attendance of such Participant for interview. Any interview shall be at a time and place to be determined by the FIS and the relevant Participant shall be given reasonable notice in writing of the requirement to attend. Interviews shall be recorded and the Participant shall be entitled to have legal counsel and an interpreter present.
- 4.1.7 By participation in a Competition, each Participant shall be deemed to have agreed for the purposes of applicable data protection laws and other laws, and for all other purposes, to have consented to the collection, processing, disclosure or

any other use of information relating to their activities (including without limitation personal information) to the extent permitted under these Rules and shall confirm such agreement in writing upon demand.

- 4.2 If a Participant retires whilst a disciplinary procedure under these Rules is underway, the FIS shall retain jurisdiction to complete the relevant procedure. If the Participant retires before any disciplinary procedure has begun, the FIS shall nevertheless have jurisdiction to conduct the relevant procedure.
- 4.3 The principle of confidentiality must be strictly respected by the FIS during all procedures: Information should only be exchanged with entities on a need to know basis. Confidentiality must also strictly be respected by any person concerned by the procedure until there is public disclosure of the case.
- 4.4 Issuing a notice of charge
- 4.4.1 Where following an investigation the FIS decides to charge a Participant with a Violation of these Rules, it shall
- 4.4.1.1 Issue a written Notice of Charge to the Participant, and
- 4.4.1.2 Transfer any such matter to the FIS Hearing Panel for determination in accordance with these Rules.
- 4.4.2 The Notice of Charge shall set out the following:
- 4.4.2.1 The specific Violation(s) that the Participant is alleged to have committed;
- 4.4.2.2 The facts upon which such allegation(s) are based;
- 4.4.2.3 The range of sanctions applicable under the Rules for such Violations;
- 4.4.2.4 Details relating to the Participant's response to the Notice of Charge within a specified deadline; and
- 4.4.3 The Participant's right to have the matter determined by a hearing.
- 4.5 The Notice of Charge shall also specify that, if the Participant wishes to exercise their right to a hearing, they must submit a written request for a hearing so that it is received by the FIS as soon as possible but in any event within 14 days of receipt of the Notice of Charge. The request must state how the Participant responds to the charge and must explain (in summary form) the basis for such response.
- 4.6 If the Participant fails to file a written request for a hearing by the specified deadline, they shall be deemed to have:
- 4.6.1 Waived their right to a hearing;
- 4.6.2 Admitted that they have committed the Violation(s) specified in the Notice of Charge; and
- 4.6.3 Acceded to the range of applicable sanctions specified in the Notice of Charge.

- 4.7 Where the Participant requests a hearing, the matter shall proceed to a hearing before the Hearing Panel in accordance with Rule n° 7. Where the Participant is deemed to have waived their right to a hearing and to have admitted the Violation(s) in accordance with Rule 4.5, any hearing held at the discretion of the Hearing Panel shall be limited to determining the applicable sanctions only.

## **5. Provisional Suspension pending the investigation and adjudication procedure**

- 5.1 In any case where the FIS decides to charge a Participant with a violation under these Rules, it shall have discretion, in circumstances where it considers that the integrity of the sport could otherwise be seriously undermined, to provisionally suspend the Participant pending the relevant tribunal's determination of whether they have committed a Violation. A provisional suspension shall be effective from the date of notification to the Participant. Alternatively, the Participant may accept a voluntary suspension from competition provided that it is confirmed in writing to the FIS. A voluntary suspension shall be effective only from the date of receipt of the Participant's written confirmation of such to the FIS.
- 5.2 A decision to impose a provisional suspension on a Participant shall not be subject to appeal.

## **6. Right to a fair hearing**

- 6.1 The Hearing Panel shall be appointed by the FIS in accordance with the principles set out in Rule 7.3 below. The members of the Hearing Panel shall have had no prior involvement with the case and shall not, unless otherwise agreed between the parties, be from the same country as the Participant alleged to have violated these Rules.
- 6.2 The Hearing Panel will be composed by three members of the FIS Legal and Safety Committee, at least one of which must be a lawyer, appointed for each case by the FIS President and/or Secretary General on behalf of FIS Council.
- 6.3 The hearing process shall respect the following principles: a timely hearing, a fair and impartial Hearing Panel, the right to be represented by counsel (at the Participant's expense), the right to respond to the asserted anti-corruption rule violation and range of resulting sanction; the right of each party to present evidence that not require the use of disproportionate means, including the right to call and question witnesses (subject to the Hearing Panel's discretion to accept evidence by telephone or written submission), the Participant's right to an interpreter at the hearing (with the Hearing Panel to determine the identity and responsibility for the cost of the interpreter) and a timely, written reasoned decision specifically including an explanation of the reason(s) for the sanction imposed.
- 6.4 The hearing may take the form of a phone/video conference or a personal hearing subject to the decision of the Hearing Panel.
- 6.5 Once the parties have made their submissions, the Hearing Panel shall determine whether a Violation has been committed. Where the Hearing Panel determines that a Violation has been committed and these Rules specify a range of possible

sanctions for such Violation, the Hearing Panel shall also fix the appropriate sanction within that range after considering any submissions on the subject that the parties may wish to make.

## **7. Burden and Standard of Proof**

- 7.1 The FIS or other prosecuting authority shall have the burden of establishing that a Violation has occurred under these Rules. The standard of proof shall be whether the FIS or other prosecuting authority has proved a Violation by the balance of probabilities, a standard that implies that on the preponderance of the evidence it is more likely than not that a breach of these Rules has occurred.
- 7.2 The Hearing Panel shall not be bound by judicial rules governing the admissibility of evidence and facts may be established by any reliable means, including but not limited to, admissions, evidence of third parties, witness statements, expert reports, documentary evidence and other analytical information.
- 7.3 The Hearing Panel shall have discretion to accept any facts established by a decision of a court or professional disciplinary tribunal of any competent jurisdiction which is not subject to a pending appeal as irrefutable evidence against the Participant to whom the decision relates unless the Participant establishes that the decision violated the principles of natural justice.
- 7.4 The Hearing Panel shall be entitled to draw an inference adverse against any Participant who is accused of committing a Violation if that Participant fails to appear in front of the Hearing Panel if requested to do so a reasonable time in advance of the hearing, or fails to comply with any information request that has been submitted in accordance with Rule 4.1.1.

## **8. Sanctions**

- 8.1 If the Hearing Panel decides that a Participant has committed a Violation, the Hearing Panel shall be entitled to impose a period of ineligibility on the Participant of a minimum of three (3) months and a maximum of life. It shall fix the period of ineligibility within that range based on its assessment of what is proportionate in all of the facts and circumstances of the case, taking into account in particular
  - 8.1.1 The nature of the breach(es).
  - 8.1.2 The degree of culpability of the Participant.
  - 8.1.3 The function of the Participant in the FIS and/or their assignment in the manipulated competition.

- 8.2.2 No Participant shall participate in any capacity in any Event or Competition during their period of ineligibility as imposed by the Hearing Panel save that, if directly invited by the FIS, an ineligible Participant may attend an Event in an educational capacity as part of anti-corruption programme organised by the FIS.
- 8.2.3 If a Participant violates any prohibition on participation imposed in accordance with this Rule 8, such Participant shall be disqualified immediately from the relevant Event or Competition and the period of ineligibility originally imposed in accordance with these Rules shall recommence from the date of such violation.
- 8.2.4 These Rules shall continue to apply to any ineligible Participant and any Violation committed during a period of ineligibility shall be treated as a distinct Violation and separate proceedings shall be brought against the Participant in accordance with these Rules

### 8.3 Financial Sanctions

In imposing a Sanction in accordance with this Rule 8.1, the Hearing Panel shall have no jurisdiction to adjust, reverse or amend the results of any International Competition or other Competition. If it finds that two or more Participants combined to breach these Rules in connection with an International Competition, and so tainted the results of such International Competition, it shall refer the matter to the Council, which shall have discretion to disqualify the results, deduct points, or take such other remedial measure as it sees fit.

### 8.5 Reinstatement

- 8.5.1 A Participant who is serving a period of ineligibility for breach of these Rules may apply to the Council for early reinstatement of their eligibility on the basis of new mitigating circumstances, such as the provision of Substantial Assistance after the decision imposing the original period of ineligibility. The Council shall have absolute discretion whether or not to grant such early reinstatement.
- 8.5.2 In any event, even if the period of ineligibility has expired, a Participant may not participate in any manner or capacity in any competition or event organised, supervised or recognised by the FIS, and/or any National Association until they have paid in full any fine and/or costs that they are ordered to pay under these Rules (unless the FIS Council in its absolute discretion waives such amounts or agrees an installment plan for the payment of such amounts).
