FIS Alpine World Ski Championships 2021 Cortina d'Ampezzo (ITA)
Rules for the Qualification Race for Parallel Event

Qualification races will take place for women and men's Parallel. The qualification race will also be in parallel format and 16 competitors per gender will be qualified to participate in the final race.

Modus:

- a. Eligibility requirements for the qualification race:
Each nation can participate with a maximum of up to four (4) competitors per gender:
 - for women, the top 500 from the Parallel World Seeding List (PWSL) are eligible;
 - for men, the top 300 from the Parallel World Seeding List (PWSL) are eligible.

- b. Entries and enrolment:
Entries for the qualification race are carried out according to World Cup rules. The best 30 competitors present are enrolled according to the actual WCSL in PAR event. Competitors with at least 500 WCSL points are considered according the World Cup rules. The next competitors, up to a total of 70, follow according to their actual PWSL position.
Thereafter, the first 30 nations on the board represented by one competitor only with their valid PWSL points, which are not already represented by the first 70 eligible competitors, are eligible.

- c. Qualifiers:
The 16 best ranked competitors per gender from the qualification race, after confirmation from each Team Captain right after qualification's protest time is over, will qualify to the final race.

Based on the eligibility requirements above, a maximum of 100 competitors per gender are allowed to participate in the qualification race.

All competitors participating in the qualification race will also be included in the official results list of the FIS Alpine World Ski Championships Parallel, which includes both the qualification and final races.

Timing Working Group

Precision for World Cup Parallel events season 2020/21

Hand Timing Manual (hand) timing, completely separate and independent of the electronic timing, must be used only for the start. Photo finish device is mandatory for the finish. (ICR 611.2.2)

Rules for the FIS Alpine Points

2020 cancelled National Championships

1.4 National Championships

For each National Ski Association's national championships, only one competition per gender in each event is allowed for women and men using the relevant category adder for NC and NJC. In the season 2020/21 the following exception is granted for cancelled NC and NJC of the season 2019/20:

- The originally cancelled NC or NJC must be organised by 31.12.2020 at latest. It is not possible to organise the event in calendar year 2021. These events are indicated in the FIS calendar with a NC* or NJC*
- All National Ski Associations are allowed to organise one competition per gender and event for U18, where only U18 competitors can start.

Competitors without any results during previous season

7.1.5 Competitors without any results

A competitor without any results (respectively in each event) during the previous season (signed with ">" in the FIS Points List) will not be included in the respective event quota calculations; those athletes still have the right to start according to their FIS points. This rule is not valid for athletes with active injured status (signed with "#" in the FIS Points List). This art. is also valid for all quota calculations (World Cup, Continental Cups and Parallel World Seeding List).

Extension of special quotas

- The organising nation always has a quota according art. 7.1.6

To include results of the last season in the Base FIS points List (BL) 2022

Due to the actual exceptional circumstances and the high number of scheduled alpine events already cancelled in the Southern Hemisphere, the calculation of the BL22 published in June 2021 will include all valid results between 01.07.2019 and 30.04.2021.

All Injury Status that were approved and published on the BL21 will remain valid if a racer does not achieve better results in the 2020/2021 season.
The required number of results and period to apply for Injury Status remains valid from 01.05.2020 until 31.04.2021.

The qualification period for the Olympic Winter Games, Beijing 2022 could be extended from 01.07.2019 until 16.01.2022 (presently from 01.07.2020) subject to the IOC's approval.

Travel limitation due to Covid-19 - Northern Hemisphere events

FIS level competitions, including National Championships can be organised in nations where the access for other National Ski Associations is limited or forbidden.

Sub-Committee for Alpine Courses

To extend validity of homologation certificates

Request to grant the Sub-Committee for Alpine Courses the right to extend the validity of a given homologation up to the end of season 2020-2021 (July 2021 for Northern and November 2021 for Southern Hemisphere) if not all re-homologations can be done during the summer and autumn period due to the actual COVID 19

Alpine World Cup Rules

Replacement of competitors in Parallel

- 3.3.2 Replacement of competitors in Parallel
 - Qualified competitors from within the national quota can be replaced by competitors ranked within the first 60 of the WCSL or within the first 200 of the Parallel World Seeding List (PWSL), or ranked within the first 120 (80 for men's

event) of the valid FIS points list of GS/SL or -by competitors who have at least 500 WCSL overall points (if the conditions according to art. 3.2 are fulfilled)

Competitor without any result

3.1.1 Qualification standards

The qualification standards will be established before each season, based on an agreement with the Committee for Alpine Skiing.

The standards cannot be modified during the season. A competitor without any results during the previous season will not be included in the respective event quota calculations. (Art 7.1.5 FIS Points Rules).

Extension for the 2019 ANC/SAC winners for the 2020/21 season

3.8 Qualified competitors of the Continental Cups EC 3, NAC 2, FEC 1, SAC 1, ANC 1

3.8.1 Qualification for the FIS World Cup of the COC Overall Winners

Qualified competitors of the Continental Cups according to the Continental Cup rules qualify to start in the respective events of the FIS World Cup in addition to the national quota in the season following the result (Southern Hemisphere: same season) if they are classified within the first 350 of the valid FIS points list in the event concerned.

Their costs for accommodation, food and beverage must additionally be paid by the Organising Committee.

If the COC overall winner is already qualified in the event concerned, the National Ski Association cannot apply for an additional starting spot for the overall winner.

National Ski Association Quota protection

- The quotas as of 1st July 2020, calculated according to World Cup rules art. 3.3, are valid as minimum quota from 1st July 2020 until 31st December 2021. During this period the quotas can only improve, but not be reduced.

- Quota calculation according to World Cup rules art.3.3 will start again on 1st January 2022.

Implementation:

As soon one National Ski Association is not able to participate at World Cup competitions more than one time per event due to government travel restrictions.

Protection of athletes WCSL ranking

- Athletes who are not able to participate fully or partly in World Cup competitions during the season 2020/2021 due to government travel and/or immigration restrictions, can apply for enrollment according to World Cup rules art. 22.4 under the conditions of World Cup rules art. 22. (Status of injured persons)

Implementation:

As soon one National Ski Association is not able to participate at World Cup competitions more than one time per event due to government travel restrictions.

Protect the athletes who earned their personal qualification for World Cup according to COC rules art. 5.4 in the season 2019/2020

Athletes who earned a personal qualification for World Cup for the 2020/2021 season will keep that qualification for the season 2021/2022 if they are not able to start more than 4 times in the World Cup season 2020/2021 due to travel and/or immigration restrictions. Application for this status according to FIS point rules art. 4.7.

Parallel Quota calculation (only valid for the season 2020/2021)

For the season 2020/21, the nation's higher quota, WCSL or PWSL, is valid.

3.3 National quota

For each event a national quota is calculated periodically according to the World Cup Starting List (WCSL) ~~and for Parallel according to the Parallel World Seeding List (PWSL)~~. The periods are adapted to the respective calendar planning and fixed before the start of the competition season. The quota is established on the basis of the number of competitors per nation, classified within rank 1 to max. 60 of the WCSL ~~(PWSL for Parallel)~~ in the event concerned. There is no moving up. For Parallel the nation's higher quota, WCSL or PWSL is valid.

A National Ski Association may enter a maximum of eight (8) (seven (7) for Men's competitions) additional competitors (under consideration of art. 3.2).

500 World Cup points rule

The 500 WCSL points rule will be adapted to 400 WCSL points as an exception for the season 2020/2021.

FIS C-19 Support Group

Covid-19 Minimum requirements to validate a World Cup event

At the time of the preliminary entry deadline of 5 weeks before the event, if 7 of the top 10 nations in the Nations' Cup 2019/2020 (each gender) are allowed to travel to the organising country, the event is valid for the World Cup.

If there are changes to the travel restriction regulations the FIS Event Task Force Group has the final decision.

Precision for scheduling the calendar

3.3 Calendar

"Arnold Lunn World Cup" events are run from the beginning of the season on the second weekend in November and end with the final on the third weekend of March.

It is not possible to run two (2) "Arnold Lunn World Cup`s" on the same day in Speed events or Technical events in different countries. It is to avoid that several "Arnold Lunn World Cup" events are run within the same period that compete with each other, independent of events and nations. Scheduling the calendar, the organising nations should preferably prevent a clash of appointments and give priority to established events.

The definitive FIS-CIT calendar "Arnold Lunn World Cup" will be made by the responsible "FCCAL" by the 15th September.

Calculation of the points

3.6.1 Classification

Points for the classification of the Arnold Lunn World Cup will be according the World Cup ~~/European Cup~~ system as well as for the Nation Cup. Both are visible on the FIS Homepage under Cup Standings after each race.

3.6.5 The representative FIS-CIT Ranking (FCCAL) in cooperation with FIS IT (Information Technology) edits the calculation of the FIS-CIT "Arnold Lunn World Cup" ~~is in charge of the calculations.~~
