General information

All documents mentioned below can be found on the FIS Covid-19 Hub on the FIS website (<https://www.fis-ski.com/inside-fis/covid-19-hub>):

- Every stakeholder involved in a FIS World Cup must follow the **FIS Testing Protocol**.
- The general **FIS media guidelines** give all involved stakeholders direction on how to approach work along the World Cup events. Please note:
- Each organizer has set up specific measurements that are specified to their national health regulations. Those measurements will always take precedent and all individuals working in media operations should respect all regulations in place at every venue
- Media representatives will not be allowed to attend the TCM. The TCM will be streamed online if approved by all stakeholders. The link to the stream will be published on the FIS Cross-Country media website and communicated via the media mailing system.
- No physical press conferences will be held post-race. Virtual press conferences will be held if requested and streamed via the same stream as the TCM.
- Statements of the top-3 athletes per race will be published on the FIS Cross-Country soundcloud account (<https://soundcloud.com/fiscross-country>).
- In general, the statements of athletes need to be taken in the provided mixed zone or external mixed zone (if provided – please see “media specific information” at each event).
- Interviews with teams need to be coordinated with the team directly.

Accreditations for TV, Radio, online, etc.

Domestic and international TV, radio, production and internet companies will be authorized by Infront Italy. Please submit your requests to film or commentate on-site directly to Infront's TV & Media Rights Manager Silvia Comola.

Media specific information

Access for media representatives will be strictly regulated. Please send us your accreditation request as early as possible. An editorial assignment makes sense. The accreditation opens on 9th November 2020.

Media Center and Sub Media Center

The Media Center is located in a tent next to the start and finish area. There are strict walking routes for journalists from the press center to the mixed zone and back.

Opening times (preliminary) Friday from 16:00h to 20:00h, Saturday from 9:00h to 16:00h and Sunday from 9:00 to 16:00h

Media accommodation

Due to the hygiene regulations and the bubble system, journalists are NOT allowed to stay overnight in the Hotel Bilderberg Bellevue in December 2020 as usual. Our own TV Crew stays in the Hotel "Super 8 by Wyndham, Antonstrasse 43, 01097 Dresden". The hotel is a 10-minute walk from the World Cup site. Should there be a need, we are happy to recommend other hotels in the center of Dresden. Please contact us via e-mail.

Transport

Official airport: Dresden International Airport (DRS)

We recommend to use public transport between airport and the city. The local train takes you directly to the Station *Dresden Neustadt*, from where it is a 10min walk to the media hotel. Car rental at airport is possible, please have a look at: <http://www.dresden-airport.de/passengers-and-visitors/to-and-from-the-airport-parking.html>

There is no shuttle from the media accommodation to venue, as it is only a 5min walk. If media stays somewhere else in the city, we recommend taking the tram which stops right in front of the venue (Trams 3, 7 and 8 at Carolaplatz). Please note that there is no parking available at the venue.
