- Each criterion worth 10 points: 1= very poor/lacking, 5=minimum acceptable, 10=excellent/very strong

Place, date:

Signature TD/Expert: \_\_\_\_\_

Signature Regional Coordinator: \_\_\_\_\_

## Guidelines for TD/expert responsible for Part A Assessment:

The assessment of Part A candidates is a key part of TD education and is meant to be a positive learning opportunity designed to assess a candidate's readiness to be a TD by:

- providing direct experience with jury work,
- assessing the candidate's knowledge, skills and ability to work in a jury team
- providing constructive feedback on areas for improvement and preparation for the Part B assessment

The supervising TD/Expert has the responsibility to engage the candidate in different jury tasks to provide a broad exposure to jury and TD work. Some of the duties that may be assigned include.

- Pre-competition
  - Review start lists, FIS points
  - Prepare & organise documents for jury work
  - Provide input for Team Captain's meeting
  - Review and check information for timing report
- Review/evaluate:
  - OC plans and layout of ski testing / ski depot areas
  - OC layout and marking of stadium
  - OC grooming and readiness for competition by skiing course
  - OC marking of turning zones, technique control zones
  - Training day evaluation of tracksetting, turning zones, v-board placement in curves
  - OC infraction video control locations
  - Infraction video applying jury guidelines
- During competition – assigned tasks
  - Start / finish
  - Exchange zone
  - Course control
  - Classical technique zones
- Post competition tasks
  - Results checking
  - Feedback to OC
  - Provide input for TD report

A minimum of three assigned duties is expected involving practical tasks. Other's can be assessed as theoretical tasks or feedback from independent evaluation/opinion (i.e. skiing the course, suggestions for TCM, OC feedback, video control locations etc.) using the competition as a case study.
