2. Accreditation Request & Covid-19 Regulations

According to the FIS Covid-19 Prevention Protocol Guideline and the Italian Government provisions, the number of media accreditations that the OC Fiemme World Cup can accept is limited.

Accreditations will be granted only as soon as the LOC receives all the necessary and compulsory documents, that are:

- A **negative Covid-19 test**, that must be done not earlier than 72 hours before your arrival at the competition venue. A copy of the negative test must then be uploaded on our accreditation online system, where we will arrange a specific "area" dedicated to the Covid-19 prevention protocol. The necessary instructions you have to follow in order to upload the test will be sent via e-mail. It is fundamental that you upload the test before your arrival at the Ski Jumping Stadium in Predazzo.
- If you want to do the Covid-19 test in Val di Fiemme, the LOC can give you the contact of two laboratories to book it:
