General information

All documents mentioned below can be found on the FIS Covid-19 Hub on the FIS website (<https://www.fis-ski.com/inside-fis/covid-19-hub>):

- Every stakeholder involved in a FIS World Cup must follow the **FIS Testing Protocol**.
- The general **FIS media guidelines** give all involved stakeholders direction on how to approach work along the World Cup events. Please note:
- Each organizer has set up specific measurements that are specified to their national health regulations. Those measurements will always take precedent and all individuals working in media operations should respect all regulations in place at every venue
- Media representatives will not be allowed to attend the TCM. The TCM will be streamed online if approved by all stakeholders. The link to the stream will be published on the FIS Cross-Country media website and communicated via the media mailing system.
- No physical press conferences will be held post-race. Virtual press conferences will be held if requested and streamed via the same stream as the TCM.
- Statements of the top-3 athletes per race will be published on the FIS Cross-Country soundcloud account (<https://soundcloud.com/fiscross-country>).
- In general, the statements of athletes need to be taken in the provided mixed zone or external mixed zone (if provided – please see “media specific information” at each event).
- Interviews with teams need to be coordinated with the team directly.

Event specific information

All sports related information per event can be now found on the FIS website:

- chose the World Cup display in the FIS Cross-Country calendar section ([click here](#))
- click on the respective World Cup
- chose the “Event program” file via clicking the yellow dropdown menu on the right
- if no event programme is available, it has not yet been uploaded

The screenshot shows the FIS website interface for the Ruka (FIN) event. The navigation bar includes 'CALENDAR & RESULTS', 'ATHLETES', 'LIVE', 'NEWS & MEDIA', and 'MEMBER SECTION'. The main menu lists various sports disciplines, with 'CROSS-COUNTRY' selected. The event title 'Ruka (FIN)' is prominently displayed. Below it, the 'FIS CROSS-COUNTRY WORLD CUP' section contains a table of events. A red circle highlights a yellow dropdown menu in the 'Comments' column of the row for the 2023 SP C Qual event, which has opened to show a 'Download' button for the 'Event Program (61.59 kb)'.

Deadline TV accreditation	14 th December 2020		

Accreditations for TV, Radio, online, etc.

Domestic and international TV, radio, production and internet companies will be authorized by Infront Italy. Please submit your requests to film or commentate on-site directly to Infront's TV & Media Rights Manager Filip Grabowski. The accreditation request for TV & Radio must be sent directly to the LOC, using the link that you find in the chart above. Also for TV & Radio, like for all other media, the process to get the confirmation of accreditation will follow the guidelines described in the following point "Accreditation Request & Release".

Accreditation Request & Release

According to the FIS Covid-19 Prevention Protocol Guideline and the Italian Government provisions, the number of media accreditations that the OC Fiemme World Cup can accept is limited.

All accreditations can be released only as soon as the LOC receives all the necessary and compulsory documents, that are:

A **negative Covid-19 test**, that must be not older than 48 hours before your arrival at the competition venue (that means that it must be not older than 48 hours at the day when you collect your accreditation). A copy of the negative test must be uploaded on the OC accreditation online system, where we will arrange a specific "area" dedicated to the Covid-19 prevention protocol. The necessary instructions you have to follow in order to upload the test will be sent via e-mail. It is fundamental that you upload the test before your arrival at the Cross-Country Stadium in Lago di Tesero.

If you want to do the Covid-19 test in Val di Fiemme, here are the contacts of two laboratories, to book it:

- **CENTRO MEDICO FIEMME**
Via Monte Mulat 17/a, 38037 Predazzo (TN)
www.centromedicofiemme.com
Tel. +39 0462 502533 - centromedicofiemme@yahoo.it
- **DOLOMITEN TRAUMA CENTER**
Località Piera 2, 38038 Tesero (TN)
www.dolomitentraumaclinic.com
Tel. + 39 0462 888014 - info@dolomitentraumaclinic.com
- The **Health Questionnaire**, that you have to fill in when you upload the negative Covid-19 test on our accreditation online system. The questionnaire has validity for the whole event.

Once the LOC receives the negative test together with the health questionnaire, we will check all the information sent, and if everything is correct, you will get an e-mail with the confirmation of your accreditation request. When you come to the cross country stadium, you can show this confirmation e-mail to the LOC access control staff. Showing this e-mail you can enter the main access of the stadium, but then, in order to have access to the

Media Center and the other facilities inside the stadium, you have to go to the accreditation office and pick up your accreditation
