## **3. Grand Prix Evaluation**

### **3.1 Individual Evaluation**

Overall winner of the FIS Summer Grand Prix Nordic Combined Women is the athlete who took part in all competitions and has the highest number of points - all Individual competitions of the current SGP season will be counted.

If two or more competitors have the same number of points at the final evaluation, the order will be determined according to the highest number of individual victories resp. according to the successive ranks in SGPNC-W.

3.1.1 The current leader of the SGPNC-W overall evaluation receives the "SGPNC-W yellow leader bib", which she is allowed to keep. The "SGPNC-W yellow leader bib" has to be worn by the leader at the SGPNC-W event, at the official winner's ceremony and at all official Ski Jumping trainings.

3.1.2 "Best jumper's bib" (blue) and "best Cross-Country skiers' bib" (red) will be distributed to each of the current leading athletes after each competition. The "best jumper/skier bib" has to be worn by the respective leaders at the SGPNC event and at the official winner's ceremony.

The basis for calculation is the SGP scoring list, see art 3.1. If there is an equal score in the daily result, each competitor will receive the points assigned to the rank and the following rank will be skipped.

3.1.3 All bibs including leader bibs are to be provided by the OC.

### **3.2 Nation's Cup**

The sum of the points of all competitors from one nation of all SGPNC-W of the current season – including the points of the Team- and share of the Mixed Team competitions – will be taken into consideration for the SGPNC-W evaluation per nation.

In case of an equality of points in the SGPNC-W nations' evaluation, the better ranking order of the different competitions (Individual as well as Team competitions) will decide.

### **3.3 Team Sprint Competition**

According to the number of the Nations Quota a maximum of three (3) teams per nation are allowed to start.

### **3.4 Mixed Team Competition**

According to the number of the Nations Quota (men) a maximum of two (2) teams per nation are allowed to start.

The starting order of the FIS Summer Grand Prix Nordic Combined Women will be determined by the current Summer Grand Prix ranking (reverse order). For the first event the final WCNC-W standing from the previous season (2020/2021) is decisive. Competitors without points will be drawn.

The starting order of a Team competition is based on a Nation's Cup SGP ranking.
