NORTHERN HEMISPHERE

EDITION 2021/22

Oberhofen, December 2021

PRECISIONS, INFORMATION AND INSTRUCTIONS NORTHERN HEMISPHERE 2021/2022

The International Snowboard / Freestyle / Freeski Competition Rules (ICR)

~~212.3 The Organiser respectively its' National Ski Association may request the FIS insurance broker to arrange cover for the competition (at the cost of the Organiser) if the organiser does not have the necessary insurance cover in place.~~

2029.10 does not comply with Competition Equipment rules Section E (11.2) and Section F (6) will be subject to sanction by the Jury in accordance with rule 2030.4 and 224.11.2

4014 **Interruption of Competition**

If there is an interruption of a competition, the competition should be resumed when conditions warrant. The results completed before the interruption will remain valid if it is possible to complete the competition on the same day. Otherwise, the results prior to the interruption will be cancelled except if the Qualifications or some phases or rounds of the Finals have been fully completed. In that case, only the uncompleted Finals phases or rounds will be postponed but must be completed on the same competition site. If the Finals cannot be fully completed, the results of the Qualifications or different phases of the Final will be valid. (Note: Specific Process, Interruption of Competition – Dual Moguls with Seeded Groups - 4313)

4313 Interruption of Competition - Dual Moguls with Seeded Groups

If there is an interruption of a competition and the competition cannot be resumed when conditions warrant, the results completed before the interruption will remain valid if all rounds have been completed, except for the Small Final (Dual for 3rd and 4th) and/or the Final (Dual for 1st and 2nd). Otherwise, the results prior to the interruption will be cancelled. If the Small Final and/or Final are not completed in a competition with Continental or World Cup points, the competitors in the Small Final will be tied for 3rd Place and receive the average of the points for Third and Fourth; the competitors in the Final will be tied for 1st Place and receive the average of the points for First and Second. If the competition has prize money available, distribution will follow WC Rule 1.2.10.1.

6609.4 **Disqualification Pending during Qualification Phase**

~~In the case the Jury does not have enough evidence about a disqualification the competitor shall receive a DQP (disqualification pending) mark. The final decision shall be taken latest at the end of the qualification phase.~~

~~In the case pending disqualifications impact competitors advancing to the elimination run, the Jury shall grant a provisional start in the elimination run to the competitors involved. The total number of qualified competitors will be increased accordingly. The competitors will start first in the elimination and run alone.~~

In case the Jury cannot review protests against Disqualification before the start of the elimination run, the protests can be resolved no later than the end of the Qualification phase.

In case the unresolved Disqualification impacts the competitors advancing to the elimination run, the Jury shall grant a provisional start (as described in 2025) in the elimination run to the competitors involved. The competitors in question will start the elimination alone and before all other competitors, in ascending order of bib number.

SBFSFK Continental Cup Rule Book

2.3 Titles

The following CoC Titles (SAC/AC/ANC/NAC/EC) will be awarded on each Continent.

Parallel (PSL+PGS)
HP (SKI) HP (SB) SX
SBX

10	0	0		

Section E

11. Competition Data and Event Presentation

11.1 For the purpose of improved television presentation and the technical development of the events, devices for the collection of digital images (e.g. wireless cameras) may be worn by the competitor using systems approved by Snowboard Freestyle Freeski Committee and the Competition Equipment Committee.

11.2 At major Freestyle, Freeski and Ski Cross events (WC, WSC, OWG) transponders (or similar devices) may be used for the purpose of capturing certain aspects of performance. The data collected will be used for information and TV graphics to increase fan interest and engagement. At events where these are available all competitors must use and wear the transponders according to directions provided by the Jury in consultation with the data service team present on site. The data collected will be made available to the competitors following each competition and not before the results have been made official. The data will not be available to the Jury or Judges for the purpose of decisions related to the competition and will not be used for scoring purposes.

Section F

6. Competition Data and Event Presentation

At major Snowboard events (WC, WSC, OWG) transponders (or similar devices) may be used for the purpose of capturing certain aspects of performance. The data collected will be used for information and TV graphics to increase fan interest and engagement. At events where these are available all competitors must use and wear the transponders according to directions provided by the Jury in consultation with the data service team present on site. The data collected will be made available to the competitors following each competition and not before the results have been made official. The data will not be available to the Jury or Judges for the purpose of decisions related to the competition and will not be used for scoring purposes.

G 3 The qualification bibs and the final bibs ~~coloured jerseys and the qualification bibs~~ shall have the same size. The final coloured jerseys shall have a wider neckline (red).
