- **Service for off-location media:** LOC Press Office Newpower can provide at this link [http://www.newspower.it/Fiemme\\_TourdeSki.htm](http://www.newspower.it/Fiemme_TourdeSki.htm) useful tools for all media that won't be present in Val di Fiemme: free hi-res images interviews and press releases. Any other customized request must be sent directly to [pressoffice@newspower.it](mailto:pressoffice@newspower.it).

### 2. Accreditation Request & Covid-19 Regulations

According to the FIS Covid-19 World Cup Risk Management and Testing Protocol, to the FIS Covid-19 Media Guidelines and to the Italian Government provisions, the number of media accreditations that the OC Fiemme World Cup can accept is limited.

Accreditations will be granted only as soon as the LOC has checked that all data uploaded on the FIS Passport of every participant are correct. As specified in our media protocol that you find here (<https://www.fiemmeworldcup.com/en/nordiccombined/info-and-protocol-covid-19.php>), a **negative Covid-19 PCR test** must be done not earlier than 72 hours before your arrival at the accreditation office and the result must be uploaded on your FIS Passport. It is fundamental that you upload the test before your arrival in Val di Fiemme.

Please remember that everybody will always be asked to complete the Health Questionnaire on the FIS Passport before coming to the event and that the PCR test must be uploaded on your FIS Passport as soon as the result is available, in order to allow the LOC to have enough time to check the information.

According to FIS Testing Protocol, people who are vaccinated or have recovered from Covid-19 won't need to test again before the end of the event. People who are neither vaccinated nor recovered will have to undergo an on-site test after the validity of the entry test has expired (2-3 days). This on-site test must be booked autonomously by people who need it, contacting one of following laboratories that can offer this kind of service, booking it in advance:
