If the competitors are still equal, they will all get an additional quota.

Cancellation of COC events (tbc):

If no event could be organised in the 2020/21 season (there is no COC winner) the relevant COC will lose its right for additional quota for the 1st World Cup period.

If no event can be organised before the start of the 2nd World Cup period (Tour de Ski) but the COC has winners (woman and man) from 2020/21, the winners from the previous season have the right to start during the 2nd World Cup period.
