### **1. Calendar Planning as well as Entry and Appointment of the Competitions**

#### **1.1 FIS Youth Ski Jumping**

Each National Ski Association is entitled to apply to the Sub-Committee for Calendar Planning for FIS Youth competitions (individual competitions, up to two separate categories for Girls and Boys) by the pre-established deadline.

### **2. Participation Right for YOS Competitions**

#### **2.1 Age limits**

##### **Category Youth I**

Girls and boys born in 2010, 2009 and 2008 can start in season 2022/23.

##### **Category Youth II**

Girls and boys born in 2007, 2006 and 2005 can start in season 2022/23.

**2.2** Only competitors with a FIS Code are allowed to be entered.  
Each National Ski Association has full responsibility for the qualification of its competitors for YOS competitions and for their ability to handle the jumping hills being used.

#### **2.3 Number of Participants for the National Ski Associations**

- Each National Ski Association may enter, for each category of a YOS event, a maximum of four (4) athletes.
- The host nation has the right to enter per categories an additional National Group of five (5) athletes (group I).
- The maximum starting quota of the host nation can therefore be nine (9) per category, however, all other participating nations up to a maximum quota of four (4) athletes per gender.

### **3. Competition Mode and Starting Order**

The YOS competitions have to be carried out according to ICR art. 452 (individual competitions) with the following supplements:

**3.1** For individual competitions the competitors will be divided into two groups. The number sequence of the groups is as follows:

- Group I of the organizing country
- Group II (all other athletes)

The starting order within the group will be determined as follows:

- Group I: draw or seeding
- Group II: draw

#### **4. Exceptions for the Competition Equipment for Category Youth I**

- Skis: ski length max. 140% of the body height and no BMI rule.
- Suits: number of parts is not limited; the design (cut) of the suit is not limited.
- Bindings: only standard bindings can be used. No modification to the binding is allowed. If rod bindings are used, there must be a straight rod and a straight clip. The binding must be fixed to the ski parallel
- Jumping boots: only standard boots can be used. No modification with asymmetric parts is allowed.
- Wedges ("Jets"): only straight and symmetric wedges can be used

#### **5. Payment of Expenses**

**5.1** Every YOS competition organiser must take over the following costs for each participating National Ski Association according to the following key:

- all entered athletes (except National Group)
- two (2) officials per nation

#### **5.2 Accommodation**

Room and full pension in the competition resort for the duration of the event, beginning one night before the first official training resp. the following night after the last competition.

An invitation and information packet must be sent by the organiser to each National Ski Association. Participating teams must enter their competitors prior to the published entry deadline. By doing so, secure their required number of booked reservation.

For booked room reservation not used, the organiser has the right to demand a cancellation fee from the resp. National Ski Association.

By no means are the organisers or the hotel manager allowed, without agreement of the team captain, to demand the vacating of the rooms on the day of the competition.
