The teams will be seeded according to the sum of the two ranks in the FIS points list of the entered athletes per team.

5801.1.1.3 Start Order in the Qualification Run

The top eight teams of the seeding list will be randomly drawn. The remaining teams will be sorted according to the seeding list in ascending order.

Penalty-Time

The maximum time delay between the first competitor crossing the finish line and the rest of the competitors from the same heat, is limited by the "Penalty-Time".

The Penalty-Time is 5% of the Reference-Time (5801.3.5.1). The jury may decide to change the Penalty-Time in a range between 3% and 7% to adapt to special circumstances and grant interesting racing. The adaption of the penalty-time can only happen after a completed phase and must be communicated to the teams before starting the next phase. If no qualification run is executed and the times from a prior individual competition are used, this Qualification or Seeding run times are the base for the calculation of the penalty time. If the Single Event prior to the Team Event is executed in the Holistic Format, the last training before the team event is the base of the calculation.
